La FICTS mira a promuovere i Valori Olimpici e la cultura delle discipline sportive in molti modi. Il "World FICTS Challenge", costituito dai Festival Internazionali, è uno di questi, che permette di promuovere tali valori attraverso la Sezione Olimpica dei Festival.

La FICTS assicura l'iscrizione gratuita al Festival per i membri della Famiglia Olimpica, ovvero le Federazioni Internazionali e i Comitati Olimpici Nazionali, così come le emittenti detentrici dei diritti.

Attraverso la struttura dei Festival, la FICTS sostiene i produttori e i registi nel processo di autorizzazione dei diritti per l'uso del patrimonio Olimpico attraverso la sua collaborazione con l'Olympic Television Archive Bureau (OTAB).

Il patrocinio del CIO aiuta con un supporto le attività istituzionali e fornisce anche un premio finale per il vincitore della sezione "Spirito Olimpico" di "Sport Movies & Tv". In questa occasione, il CIO presenta un video recente da proiettare durante la parte finale della rassegna.
