

PRESIDÊNCIA DA REPÚBLICA

Dili, 20 December, 2011

Dear Professor Ascani,

I write to you in order to express our interest in organising a Phase of "World FICTS Challenge 2013" in Timor-Leste in compliance with the Rules of World FICTS Challenge.

We are currently starting to explore possible venues and events for a FICTS Festival in Timor-Leste, as well as sponsoring opportunities.

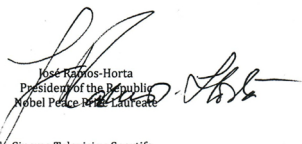

After a more in depth review of the Regulations and Rules we will confirm if we are able to host the event as planned.

We are happy that Timor-Leste is the 109th member country of the FICTS Federation and are looking forward to developing this mutual beneficial partnership.

Official communication will be carried out by director Lena Lenzen.

I thank you for your collaboration and solidarity with Timor-Leste.

Sincerely Yours,

José Ramos Horta
